“Local Cycle Scout Group Finds new Species: Sandringham Beach Possum and eats Lamingtons”

“Scruffie the Adventure Dog
(AKA Super Scout, Chief Cycle Expedition Leader)”

Local Scouts have mounted a Night Time Bicycle expedition to determine if Rumours of a NEW Species of Possum existed on the Sandringham water front. (A Local Myth of a Possum that only comes out on Cold windy nights when "normal" people are wrapped up warm in bed).

- 25 Scouts
- 2 Guest Parents
- 1 Brave Adventure dog
- 1 Evacuation of Sick Scout (Thanks Leader-get Better soon)

- 7 Adult leaders
- 2 Youth Leader
- No Injuries
- No Mechanical Breakdowns

SCOUT SKILLS

1. **CYCLE Maintenance and Equipment** : Bikes checked out, Correct tire pressure, Lights etc
2. **GROUP RIDING**: Safe and social riding with others
3. **CYCLE PATHS**: Protocol for riding on shared path with Walkers and Other cyclists
4. **Riding in Weather**: 25 Km Southerly wind - Good exposure to local conditions

KEY OUTCOMES

- **Target Achieved** - Group Reached the Sandringham Rotunda and returned.
- **Possum Identified**: The Sandringham Beach Possum was identified - Unfortunately no one Photo'd it
- **Lamingtons consumed**: A great deal of Carbs were ingested to ensure Peak Athletic performance
- **Good time/Social event**: Great time was had by everyone.
