We must be Practised and competent at working with our equipment. Normally Scruffie would be there leading the way. They seemed to muddle through

Scruffie is against Child labour in principle. But when we have parental consent and its for a good cause ...

The Products: Well Some are better than others but on the whole it looks like quality control is doing its job.

Scruffie instructs your members on Technique.

Operations: We need to operate. Someone has to.

Bed time: All scouts lie down and go to sleep on time and without disruption. I bet the parents wonder how Scruffie does this ? - Just another reason he is a mystery dog
