It's been a great year for 1st/14th Brighton Sea Scouts and not JUST because of Scruffie (Although I think we agree he is the MAIN reason)

None the less , it is at this time of year we reflect on the many things we have to be thankful for. And remember those who help make these things real as well as reflect on those less fortunate than ourselves.

Scruffie hopes you are able to do both while enjoying the Christmas that you and your family value and are refreshed and focused for the coming adventure in the new year.

Thank you!

- All the Scouts who come once week and Play with him.
- All the Adult leaders, who come week by weekly so that Scuffle gets some time with the scouts and doesn't have to do Everything!
