A REMINDER OF SOME IMPORTANT TERMS

- Patrol Leader – We have 5 patrols (Mantarays, Marlins, Osprey, Sharks, and Porpoises). Each Patrol has a youth leader in charge – this is the role of the Patrol Leader
- Senior APL – A patrol may or may not have a Senior APL – this person assumes PL responsibilities if the PL is not there on the night/event.
- Assistant Patrol Leaders – there is more than 1 APL in each patrol. The APL is there to provide support for the Patrol leader, and where patrols need to split into smaller groups for activities the APL will take charge of the smaller group.
- Guest APL – A guest is invited into the Leadership group to 'try before we/they buy'. They may or may not enjoy and do well with the leadership responsibilities. If successful the Guest may be promoted into a probationary APL position.
- The 'V' stands for an incumbent youth leader who is moving on to Venturers.
