

SCRUFFIES NEWS

- In Which we Remember

**“Adventure Crew
remember those who
went to the Ultimate
Adventure
(Those who came back and those
who didnt)...”**

They went with songs to the battle, they were young.
Straight of limb, true of eye, steady and aglow.
They were staunch to the end against odds uncounted,
They fell with their faces to the foe.

They shall grow not old, as we that are left grow old:
Age shall not weary them, nor the years condemn.
At the going down of the sun and in the morning,
We will remember them.

*“Scruffie the Adventure Dog – Fast group Cycle leader,
Solemn Face of Remembrance, Advocate of ANZAC
Vales , True blue Aussie dog”*

It is a well-known Fact that Scruffie chose to move to Australia because it's the greatest place to live on Planet Earth. He knows how lucky we are to live in such wealth and abundance, and share it with his mates and family. But it wasn't always like this and it was almost very different.....
Everywhere he goes , Scruffie see the desolation and unhappiness that conflict brings, and the peace and happiness that honesty, hard work, integrity, perseverance , team work , mateship and leadership bring.
Scruffie Say : There comes a time to appreciate what you have and give thanks and remembrance for those who made it possible.
