Scruffie shuns publicity , Being a famous dog he is often followed by reporters and Autograph Hunters, and so when an Opportunity to get “back in the wild” occurs he is always prepared . So he decided to head out with a few friends to show them the Tricks of his Trade. Soon word has spread and 47 of his friends helped set up a Bush camp. Each had their reason to be there, The Air Crash survivors, The Olympian time travellers, The Bogens, The Radioactive Thieves and African Jungle survivors. A Great Adventure awaits.
